PAINT INDIA 2026

Thank you everyone that visited us on our stand.

Colourscapes was excited to exhibit at Paint India 2026.

Paint India Mumbai is one of our favourite shows, we have been present as an exhibitor for many years, and we are pleased to say the show has grown from strength to strength with each exhibition, and for the right reasons.

Highlights from Paint India 2026

Colour users from India and around the world can meet face to face with genuine Indian pigment manufacturers. It's called Paint India but the pigment makers who participate, manufacture products for all applications, coatings, plastics and inks.

Special thank you to all our visitors from around the world for your attendance, plus your continued support of Colourscapes.
